# Terms and Conditions - Wholesale Pumpkins

- 1.** Our minimum order is 3 bins of pumpkins.
- 2.** All our pumpkins are naturally grown on our farm in our fields in Essex, which is where our point of sourcing takes place.
- 3.** Our pumpkins are supplied ex-farm so may occasionally be muddy. Our pumpkins are not washed from the field but we aim to have them as clean as we can.
- 4.** Whilst we give average sizes and weights there may be some pumpkins in your bin which vary in size due to it being a fresh produce.
- 5.** The weather impacts the size and colour of the pumpkins so the pumpkins may vary in size, shape and colour year on year. Please be aware this is outside of our control.
- 6.** All our bins have an average bin count.
- 7.** Despite priding ourselves as a high-quality supplier, as with all fresh produce, pumpkins are a perishable item, and we cannot guarantee all of the pumpkins will remain in excellent condition for the whole Halloween period. If any pumpkins do go mushy this should not affect the other pumpkins if you dispose of the mouldy pumpkin. Therefore bin counts are an average range to account for the occasional pumpkin that may perish.
- 8.** All pumpkins must be paid for at the time of ordering. You can pay via BACS OR credit card.
- 9.** Your order will not be processed until full payment has been received, therefore we cannot guarantee your pumpkin order until payment is made.
- 10.** Pumpkins will be supplied in cardboard boxes on a standard pallet – they will need to be stored undercover – see example below.
- 11.** Pumpkins will not leave the farm unless payment has been made.
- 12.** Collections – You will be sent the collection address once payment has been made and we accept no responsibility if the pumpkins are damaged in transit. All collections should be made in an enclosed trailer.
- 13.** Delivery is made via a third party haulier and this cost is passed directly onto you. As there may be a delay in quoting delivery and delivery taking place, it is possible costs may vary, including the haulier adding a fuel surcharge.
- 14.** We do not accept returns or refunds.
